Profile Summary

With a Full Stack Software Development Program certification, I possess strong skills in React.js, JavaScript, HTML/CSS, and Node.js. My internship sharpened my analytical ability, communication, and team management skills. A go-getter with a knack for leadership, I bring stress management and negotiation skills to the table. I am a detail-oriented individual adept at handling complex tasks and collaborating with teams effectively. With a consistently high academic performance, I am eager to leverage my strengths in a challenging role within a forward-thinking organization.
